Frequent Diner Rewards Program

FREQUENT DINER PROGRAM

We have designed a card that rewards you everytime you dine with us at Blue Star Cafeteria. The Frequent Diner Program awards one point for every dollar purchased.

Present your card to the server each time you dine with us and earn credit for your visit. There is no limit to the reward credit that can be earned! Ask your server for additional details and start earning Frequent Diner Rewards today!

Present your rewards card to the server at the time of purchase. Points cannot be issued after the transaction is complete. Points are awarded immediately at the time of purchase. Point updates are computer generated and a receipt is given to the card member after each purchase. Tax and tip do not count towards reward points. Reward points have no cash value and may not be transferred to a different card. Only the member who pays the bill can receive the reward points.

Blue Star Cafeteria is not liable for points or rewards lost due to fraudulent or unauthorized use. This includes fraud caused by lost card. Blue Star Cafeteria reserves the right to make changes in the program, audit or cancel your account, or terminate the program at any time without advanced notice. Federal and state tax liabilities are the responsibility of the card holder. You must be 18 years of age or older to become a frequent diner.
